Post-Event Report

Date: 18 Sept 2025

Event : Industrial Visit to **Sofcon India Pvt. Ltd.**
Date : September 16, 2025
Venue : Sofcon India Pvt. Ltd.
Participants : B.Tech(CSE) students and accompanying faculty

On September 16, 2025, a group of B.Tech(CSE) students from the **Delhi Institute of Science and Technology**, accompanied by faculty members **Dr Saarthak Dulgaj, Mr Nikhil Kumar Nigam and Mr Sachin Kaushik**, participated in an industrial visit to Sofcon India Pvt. Ltd at Pitampura, Delhi. The visit was organized as a training session on Artificial Intelligence, Data Science, and Machine Learning.

The session was led by **Mr. Lalitesh, a Data Science expert at Sofcon**. He provided an in-depth and engaging briefing on the practical aspects of data analysis. The students were given a comprehensive overview of the essential software and hardware setups required for effective data analysis, which provided valuable context to their theoretical studies.

Mr. Lalitesh introduced the students to fundamental concepts of Data, Data Handling, and Data Warehouses. He explained how data is collected, processed, and stored in real-world scenarios, highlighting the importance of efficient data management in modern industries. The interactive nature of the session allowed students to ask questions and gain clarity on complex topics.

Overall, the industrial visit was a great learning experience for all participants. The students found the session to be highly informative and engaging, providing them with a practical perspective on the fields of AI, Data Science, and Machine Learning. The insights shared by **Mr. Lalitesh** were particularly beneficial in bridging the gap between classroom knowledge and industry requirements.

We extend our sincere gratitude to the entire team at Sofcon India Pvt. Ltd., especially **Mr. Lalitesh**, for their hospitality and for providing such a valuable educational opportunity for our students.
