Date & Time: November 24, 2025, at 03:30 PM

Mode: Offline

Venue: DIST, New Delhi

Participants: B. Tech. (CSE) students

On November 24, 2025, the **Delhi Institute of Science & Technology (DIST)** organised an engaging and intellectually stimulating **Quiz Competition on General Studies**. Students from the CSE department enthusiastically participated, showcasing their awareness of current affairs, history, science, and general knowledge. The event aimed to encourage critical thinking, quick decision-making, and healthy academic competition among students.

❖ Highlights of the Competition

- The quiz comprised a single round of MCQ-based questions, designed to test students' knowledge across multiple domains.
- The competitive environment kept the audience engaged, while also helping students strengthen their understanding of general studies beyond classroom learning.
- After an intense final round, **Anushka and Vedant emerged as the winner**, securing the highest score with her consistent performance and strong command of the subject.

❖ Vote of Thanks & Acknowledgement

The organising team expressed sincere gratitude to all participants for their enthusiasm and spirited involvement. Special appreciation was extended to the faculty coordinators and volunteers whose efforts ensured the smooth conduct of the event. The organisers also congratulated **Anushka and Vedant** for their outstanding achievement and encouraged other students to continue participating in such knowledge-enhancing activities.

Winner: Anushka and Vedant – First Position
